Shangjiang people's hospital.

"Let go, let go!"

Chen Ping, holding a faint little girl, rushed into the hospital and yelled:
"doctor! doctor! Help my daughter

A few nurses and doctors ran out, busy with Chen pinghuai's child into the emergency room.

"Well, you can't go in!"

Wearing sky blue nurse uniform and mask, the female nurse stopped Chen Ping who wanted to rush into the emergency room.

And at this time, a rush of high-heeled shoes knock ceramic tile sound from the back, "Dudu Du" button in the heart.

"Chen Ping!"

She yelled!

Bang!

A crisp slap and a strong fan on Chen Ping's face.

In front of Chen Ping, Jiang Wan's face was full of anger, and her eyes were full of tears. "If my daughter has any problems, I will not spare you!"

The tone was cold and full of anger.

This scene scared many families and patients of patients in the hospital.

Chen Ping's head was stifled with shame and anger, but he did not explain.

"Hum!"

Jiang Wan snorted coldly. The displeasure and contempt in her eyes could be seen by an outsider.

Chen Ping, like a child who made a mistake, stood on one side, stifling his head and did not dare to speak.

He just secretly looked at the woman two or three meters away from him, his wife.

A woman who has signed a divorce agreement with him and can divorce him at any time.

Jiang Wan, deputy general manager of marketing department of listed companies, and her parents are members of the system, a section chief and a retired teacher.

It can be said that Chen Ping's status in the Jiang family is very low, and he

has no sense of existence in the last two years.

Also because of Chen Ping, Jiang Wan and the family have a lot of contradictions, parents do not have any funding.

The old couple seriously told them that unless they left, they would subsidize the treatment expenses of their granddaughter, and that after divorce, the child would have to go back to the Jiang family.

This matter will be delayed for a year.

When the emergency room door opened, Chen Ping looked at her daughter being pushed out and tried to rush over, but she saw that Jiang Wan had trotted past.

He stopped and looked at his lovely daughter from afar.

Xiaomi stretched out his small white hand, wore a breathing mask, and his big eyes were as bright as a black gem. He murmured, "Dad..."

Chen Ping walked over, holding her daughter's cold hand, gently stroked the hair on her forehead, and said with a smile, "Dad is here."

"Mom, don't quarrel with dad. It's rice grains that are not good and ask dad to take me to the playground."

Xiaomi, who is only three years old, speaks for Chen Ping in a weak voice.

Jiang Wan smile, should say: "good, mother listen to rice, do not quarrel with dad."

"Chen Ping, pay the hospitalization fee."

The cold voice interrupted the conversation between Chen Ping and her daughter.

He looked at Jiang Wan, the other side just a cold glance, accompanied his daughter into the ward.

Rushed to the inpatient department payment office, Chen Ping took out the bank card.

"Sorry, you have no money in your card." The nurse opened her mouth coldly and glanced at her eyes.

It turns out to be Chen Ping.

Clearly he could ask his mother-in-law and father-in-law, but he did not.

This face saving man, garbage!

"No money?" Chen Ping is in great embarrassment.

He wrung his face, stooped humbly and asked, "nurse, can you spare a few days?"

The nurse glanced at Chen Ping coldly, sneered in his eyes, and said, "no money. Ask your wife for it. Anyway, you are a soft eater."

"You Chen Ping's face sank.

The nurse put his hands around his chest and snorted, "tomorrow, if you don't pay, you can go through the discharge procedures."

After that, she turned her back, no longer paid any attention, and said a word to this kind of man, she felt sick.

Are you bullied without money?

Unwilling, Chen Ping squeezed his fist indignantly.

As soon as he turned around, he saw Jiang Wan standing behind him with cold temperament and hatred on his face.

"Wan'er, don't worry. I'm going to raise money." Chen Ping squeezed out a smile.

He and Jiang Wan have spent all their savings.

Jiang Wan burst into tears. She squeezed her fist tightly and said, "Chen Ping, if you want to be a man, go and ask my parents!"

"I..."

Chen Ping was stunned and a lot of words were blocked in his throat.ha-ha.

Jiang Wan wiped away the tears on her face and said with a self mocking smile, "I knew that you will always be like this. Is your self-esteem more important than rice?"

It seems to have seen through Chen Ping. Jiang Wan turns around and leaves Chen Ping a cold and cold figure.

Helpless sigh tone, Chen Ping mobile phone received an order to remind.

He can only rush to the ward, and his daughter said a few words, then left.

Before leaving, Jiang Wan told him for the last time: "Chen Ping, my father's birthday this weekend. If you don't want a divorce, go to ask my parents."

There is no choice. Chen Ping knows that this is Jiang Wan's last patience with him.

Just ready to go out of the hospital, he was called out by a proud male voice: "Oh, this is not Chen Ping, where are you in such a hurry?"

Looking up, a handsome man was standing in front of Chen Ping in a well cut suit, with a fruit basket and a page puppet in his hand.

"Cao Jun! Who asked you to come?" Chen Ping's face collapsed immediately.

Cao Jun, his college diehard, but since he and Jiang Wan married, they have become a dead feud.

Cao Jun also likes Jiang Wan.

"I asked him to come."

Jiang Wan came over and walked directly past Chen Ping with an apologetic smile on her face: "brother Cao, I'm sorry. I'm sorry to trouble you again."

When Cao Jun saw Jiang Wan, the sarcasm on his face turned into a big smile. He said, "it's OK. I'm also Mi Li's uncle. This is for Mi Li. I'll pay for it now."

After that, he took a proud look at Chen Ping with disdain in his eyes.

Chen Ping's fist clenched iron green, cold face asked Jiang Wan: "why ask him to borrow money?"

"Do you have money? Do you want rice grains to be expelled from the hospital tomorrow? " Jiang Wan gave Chen Ping a cold look and turned to catch up with Cao Jun in front of him.

Chen Ping saw this scene, and his self-esteem was greatly damaged.

Money, money!

It's all money!

Chen Ping stood at the door of the hospital. After standing at the door for a long time, he breathed a breath and looked up at the blue sky. Then he picked up his mobile phone and made a phone call: "where is the mouse? Let's meet you."

In the rental house, Chen Ping and Liu Hao sat face to face. Some black and thin Liu Hao handed Chen Ping an agricultural bank card and said, "here's 60000 yuan. Take it first."

Chen Ping took the bank card, his hand trembled slightly and said, "mouse, thank you, thank you."

"What can I thank you for? Who are you and me?" Liu Hao said with a smile.

"I don't agree!"

With a bang, the door of the rental house was pushed open, and a tall woman rushed in angrily, "Liu Hao, that's the betrothal money you gave my family. Why do you give it to him?"

This woman is Liu Hao's girlfriend, named Xu Rong. She looks seven points and has a bit of arrogance and some powerful eyes.

"Rongrong, this is not rice grain in hospital, I lent it to Chen Ping for emergency use." Liu Hao went up and pulled Xu Rong to explain.

Xu Rong directly shook off his hand, looked at Chen Ping and sneered: "Oh, Chen Ping, how many times have you borrowed money from our family Liu Hao? You don't want a face, I want a face! "

"Xu Rong!" Liu Hao said in a deep voice and pulled her sleeve.

Xu Rong didn't care. He pointed to Liu Hao's nose and scolded: "Liu, if you borrow this money today, I'll break up with you! Don't get married

Seeing that they were about to fight, Chen Ping put the card on the table, got up and nodded, and said sorry: "sorry, that mouse, next time I go to drink your wedding banquet, I'll go first."

"No!" Xu Rong said coldly.

Waiting for Liu Hao to catch up, Chen Ping ran out of the rental house.

Behind him, the door slammed, followed by the quarrel between Xu Rong and Liu Hao.

Walking in the street, Chen Ping squatted on the ground, with his mobile phone in his hand and smoking, he didn't know what he was thinking.

Poverty is the original sin. You can't walk without money.

As if he had made a decision, Chen Ping dialed a number he had never dialed in seven years.

The phone is on.

"Hello, young master, is that you, young master? You called me." The voice on the other end of the phone was very excited, with a sense of vicissitudes, and even faintly crying.

Chen Ping sighed helplessly and said, "old Joe, I'm short of money. Can you give me one hundred thousand?"

"Ah, young master, what are you talking about? Don't say a hundred thousand. Even if you want one billion, I will transfer it to you."

The old man on the other end of the phone was still very excited one second, and then he did something about it. "But young master, according to the agreement between you and the master, you need to come back to inherit the family property if you want to use the family's money and relationship. Why don't you come to the company and have a talk?"

Chen Pinglue pondered slightly and said, "OK, I'll go there."

"Well, young master, I'll send someone to pick you up!" Old Qiao said excitedly.

"No, I can go there myself." Chen Pingdao, then suddenly asked: "by the way, which company?" "Shengding group, I'll be waiting for you at the director's office." Joe.

Chen Ping hung up the phone and looked at the endless stream of people in front of him.

Well, let's have a showdown. Chen Ping is actually the second generation of the top rich!

The family's assets are all over the world, and about 70% of the industries are owned by their own families.

In the past seven years, Chen Ping came out to escape the inheritance of his family and experienced the life of ordinary people.

But today, he has compromised to reality.

If you don't work hard and have no money, you will have to go back and inherit one trillion yuan of family property.

Soon, Chen Ping rode a battery car to Shengding group building.

This is a building more than 300 meters high, ranking seventh among the world's top 500 enterprises!

Of course, the top 500 companies in the world are all owned by the Chen family, or invested in shares.

Just entering the hall, Chen Ping was stopped by a Jiao.

"Ah, ah, who asked you to rush in? Go out. The takeaway is not allowed to come in! Call someone down to get it! "

A beautiful woman in a black professional dress stopped Chen Ping's way

and began to reprimand her.

This woman is full of Royal elder sister fan, and her figure is full of sexiness with protruding front and back. Her long Ivory legs make her blood boil.

"What are you looking at? Disgusting, hooligan! Get out of here

Su Lili stares at Chen Ping in disgust. She has seen a lot of such takeout losers.

Chapter 2

Chen Ping's expression was not so natural and frowned slightly.

Su Lili saw Chen Ping's poor appearance in a takeout suit and pointed to the door and said, "go out now. We don't allow takeout people to come in."

"I'm not a delivery." Chen Ping explained.

Su Lili lifted the bangs on her forehead, her hands around her chest, and her face coldly said, "I've heard so much about you. Everyone who comes in says that she's not a takeaway. Is it interesting?"

"I'm not. I'm looking for Joe Fugui."

Chen Ping was a little depressed, and he was about to rush in.

"Shit! You're a fool. Didn't you hear me? "

Su Lili was very angry. The first time she saw such a shameless delivery man, she refused to let him in, but he still broke in.

At this time, a department manager of the company heard the news, came out of it, his face was very ugly, "what's the matter?"

"Manager song, this delivery fool is trying to break into our company!" Su Lili pointed to Chen Ping and said in disgust, "I'll ask the security guard to drive him out immediately!"

Manager song frowned, looked at Chen Ping and said in a deep voice, "our company doesn't allow takeaway to come in. Please go out."

Manager song is quite polite, but his tone and attitude are not very good.

He is the Department Manager of the global top 500 companies. He is very polite to talk about a delivery garbage.

See Chen Ping still Leng there, Su Lili eager to show, pointed to the tip of Chen Ping's nose: "you hear not, still don't roll out!"

Chen Ping is upset. Did this woman eat dynamite or come to her aunt?

You know, this company is home run.

It's just a watchdog, barking at its master?

Die!

"I said, I'm not a delivery man. I'm looking for Joe Fugui." Chen Ping said coldly.

Joe Fugui?

The manager song was stunned, then looked at Chen Ping in dismay, and then suddenly sneered and said, "you look for our chairman?"

"Qiao Fugui is your chairman?" Chen Ping was stunned.

Old man, was not a secretary before? How could he become the chairman of the board secretly?

No wonder the old man dare to negotiate with himself now.

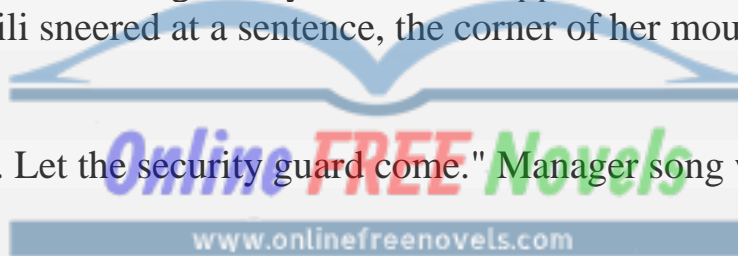

I can't. I'll see him later. I can't be soft!

I Chen Ping will never inherit the family property and will leave when I get the money.

Manager song was stunned, but he shook his head and sneered: "you don't even know that Qiao Dong is our chairman. Do you still want him? Do you have an appointment? "

"Manager, don't be kidding. Can you make an appointment for such rubbish?" Su Lili sneered at a sentence, the corner of her mouth disdains the upturned.

"Come on, Lili. Let the security guard come." Manager song waved impatiently.

"Good manager." Su Lili Jiao Di should sentence, trot picked up the front desk phone, will dial the security department.

Manager song is ready to leave.

Suddenly!

A discordant voice sounded at the front desk.

"Qiao Fugui, you hurry down to me, I was stopped by your front desk, three minutes can not see you, I left."

Two people follow the reputation, see Chen Ping just hang up the phone, a lazy look, looking at the company's environment.

Sully's sneer at the corner of her mouth was even more exaggerated, and she scolded: "fool! It's still on the show. It's time to deliver it! "

Said, she to not busy to call security, but secretly took a picture of Chen Ping, sent to the circle of friends, with the text: disgusting! I met a delivery man, and I was about to let the security guard throw it out

Manager song over there frowned and looked at Su Lili. The other side understood immediately. He made a gesture of OK and picked up the phone to call the security department: "Hey, come to the front desk and clean up the garbage people."

After hanging up the phone, Su Lili sits at the front desk, mending her make-up, no longer answering Chen Ping.

At the same time, Qiao Fugui, chairman of Shengding group, with his secretary, trotted out of the elevator and saw the young master waiting in the front hall from a distance!

However, to his eyes, three security guards are preparing to blow the young master out!

That's the only heir to the family business!

In an instant, Qiao Fugui called out: "stop it!"

Here, three security guards are pushing Chen Ping. Suddenly, they hear a yell and turn around to see the angry chairman running over!

How did the chairman get down?

Bang!

Stand at attention, salute!

"Hello, chairman." A salute from three security guards.

But Qiao Fugui didn't seem to see the three of them. He went straight to Chen Ping, smiling like a sunflower.

At the moment when Su Lili saw the chairman of the board of directors, she ran over in a hurry, especially when she saw Chen Ping standing there.

"Chairman." Su Lili called respectfully, then turned her head and glared at Chen Ping in disgust: "Why are you still here? You don't have to get rid of him Sully was angry.

Are these security guards so blind? If the chairman is here, what should we do if the garbage stands in the front hall and bumps into the chairman?

However, Qiao Fugui looked at Su Lili coldly and yelled: "what are you doing? This is the young master of the company and the chairman of the future company. Who makes you so rude! "

Less a young master?

By him? What kind of master is a loser who delivers takeout.

Su Lili was confused and said angrily, "Chairman, have you made a mistake? Is this a master of the company? "

"No mistake." Qiao Fugui said coldly that he was dissatisfied with sulili.

What's your attitude and tone?

Is that how you talk to the chairman?

In an instant, Su Lili also realized her mistake and immediately bent down to apologize: "Chairman, I'm sorry, I'm..."

The former manager song, this meeting also ran over and said with a flattering smile, "Chairman, how did you come here?"

While talking, he saw Chen Ping, but he didn't realize the atmosphere was wrong. He immediately blushed and frowned: "Why are you still here? I've said that our company doesn't allow takeout. Get out of here

As soon as he had finished speaking, he noticed a cold, substantial gaze at himself.

Ah, there are fools every year, especially today.

"Shut up!" Qiao Fugui was so angry in his heart that he yelled: "he is the young master of our company. Both of you have been fired!"

Chen Ping shook his head helplessly and said, "it's really a crime for a dog to look down on others."

"Young master, please." Qiao Fugui half bent over and motioned.

This scene really scared manager song and Su Lili.

Young master?

What a young master he is?!

Seeing that Chen Ping and the chairman of the board were about to leave, manager song immediately rushed over, accompanied by a smiling face, and pleaded: "young master, I have no eyes. Please forgive me this time."

He could see that the chairman was very respectful to the young man.

Shengding group is the seventh of the world's top 500, and its chairman is worth tens of billions of people!

Such a big man said that the young man in front of him was a young master, and that was the young master.

Su Lili also trotted over and said, "young master, I'm wrong. I dare not do it again."

Chen Ping just lightly looked at Qiao Fugui. The latter immediately pointed to several security guards and said, "what are you doing? Throw them out! From today on, they are not allowed to set foot in our company! "

"Young master, young master, we are wrong. Please forgive us..."

Manager song and Su Lili were thrown out directly by the security guard.

To the chairman's office.

Chen Ping sat on the tangerine peel sofa, and Qiao Fugui stood respectfully to one side and put his hands in front of his abdomen.

"Old Joe, you are a petty bourgeois. The ostrich leather sofa of colombostile

has good taste."

Chen Ping touched the sofa under his buttocks and exclaimed.

Qiao Fugui stood aside, looking very humble and said: "young master, don't make fun of me. As long as the young master signs on this document, these are the young master's

As soon as the voice fell, he was tall behind him, with delicate skin and a long chest and thigh. The secretary handed over a document.

Chen Ping took a look with disgust and said, "you don't know that I don't want to inherit my father's property. I'm here today to ask you to borrow a hundred thousand yuan."

Qiao Fugui said with a gentle smile: "no borrowing."

"Old man, say it again!" Chen Ping was very angry and got up.

Qiao Fugui or that sentence: "no borrowing."

However, with his face full of wrinkles and full of smiles, he lured: "young master, as long as you sign, don't say it's 100 million, 1 billion, 10 billion are all yours."

"No borrowing, no borrowing! If I sign today, I won't be Chen! " Chen Ping's airway.

Five minutes later.

"Congratulations, young master, you have now officially inherited all the property and property of the Chen family. This is your 100000 yuan."

How delicious!

Qiao Fugui looked at the signed document with a happy face like a chrysanthemum.

At the same time, the secretary next to him brought a suitcase and opened it, 100000 yuan!

"Old Joe, it's a waste of money. I don't know if it's a million yuan to pack in such a big box."

Said, Chen Pingshun got up next to a plastic bag, money into it, "then I go first."

"Young master, take your time. Do you want me to send you a car?" Qiao Fugui asked respectfully.

"No, I came by bike." Chen Pingdao, with a plastic bag in his hand, left the office.

Here, Qiao Fugui came to the top conference room with the document immediately after Chen Ping left and opened the video conference.

"Master, the young master has finally signed." Qiao always stood in front of the electronic screen, bent over, very excited and respectful. On the screen, an old man in a wheelchair coughed a few times. He slowly raised his hand and said in a weak voice, "then Let's call it a day... "

"Yes, sir." Qiao Fugui looked at the old man in the picture and wiped his tears.

From this moment on, every senior member of the Chen family's industry has received an email notice that Chen Ping, the only successor of the Chen family, formally inherits the family business!

These enterprises involve real estate, real estate, entertainment, film and television, finance, investment, Internet technology and so on

Chen Ping goes back to the hospital and trots to the ward. He just sees Jiang Wan talking with Cao Jun. the two people are very close, talking and laughing.

Chen Ping frowned and his fist clenched slightly.

"Chen Ping, where have you been?" Jiang Wan asked coldly as soon as he met.

This guy is still in the mood to go out at this time. It has nothing to do with his daughter.

Jiang Wan's eyes reveal her disappointment with Chen Ping.

Cao Jun sat aside and sneered: "Chen Ping, you are not going to borrow money, are you? It doesn't matter. I'll pay for the medicine. After all, rice grains call me uncle

"My daughter's medical expenses are easy for you. I can afford it myself." Chen Ping came in with a cold face.

"Chen Ping, what's your attitude? How do you talk to brother Cao? Sorry. "

Jiang Wan immediately criticized her husband. She didn't know what her husband looked like?

When he paid for the medical expenses with good intentions, he turned his face back on them. What a shame!

"Wan'er, don't be angry. Maybe Chen Ping didn't borrow money. He was in a bad mood."

Jiang Wan glared at Chen Ping angrily and looked down upon Chen Ping even more in his heart.

Chen Ping held back his anger and clenched his fists. Looking at them, he wanted to punch Cao Jun in the face.

Wan'er?

He called her nickname so kindly!

Jiang Wan, Jiang Wan, at least I am your husband, you don't know shame at all?!

Chapter 3

"It's money. Who said I didn't borrow it?" Chen Ping stares at Cao jundao coldly.

Cao Jun was stunned for a moment, and the expression on his face solidified.

Then, in his surprised eyes, Chen Ping directly threw the plastic bag in front of him and Jiangwan.

Bang!

The plastic bag exploded, ten stacks of money scattered, and the red notes fell

into their eyes.

The corner of Cao Jun's eyes twisted, the corners of his mouth trembled slightly, and his fist clenched unconsciously.

Jiang Wan's expression is even more surprised. She looks at the money thrown by Chen Ping, and then quickly turns cold with anger in her eyes.

Where did Chen Ping get the money?

He has money, why not take it out earlier!

Harm himself here with other men to talk and smile, he does not know this is very tired?

"Here's 100000 yuan. This one plus the previous ones will be returned to you at one time. Don't come back later."

Chen Ping said coldly.

Cao Jun did not immediately take the money.

To tell the truth, in his eyes, the 100000 yuan is dispensable. It is really a charity to beggars.

"OK, Chen Ping, I have raised money so quickly. I'm curious. Who will lend you so much at once

Cao Jun said insidiously that he could not hang his face.

He didn't leave all the time, just to wait for Chen Ping to come back and make a good mockery of him.

By the way, let Jiang Wan see clearly, how bad the man she chose!

But now, Cao Jun a lot of words were blocked in the throat, that kind of uncomfortable, that kind of stuck in the throat, making him restless!

"Does it have anything to do with you?" Chen Ping's indifferent reply.

Jiang Wan couldn't see it anymore. She got up and said, "Chen Ping, that's enough. Brother Cao has helped us so many times. What are you talking about now?"

"Did I ask him to help? Don't you know who he did it for? "

Chen Ping replied with anger in his eyes.

Jiang Wan was stunned. Cao Jun was so sad about Mi Li that she naturally understood why.

However, when she was criticized and exposed by her husband in person, she could not hold her face and said, "Chen Ping, what do you mean?"

Chen Ping took a deep breath and calmed his mind.

Recently, I have quarreled with Jiang Wan more and more times.

"You're not going yet?" Chen Ping turns to Cao Jun.

Cao Jun laughed two times, picked up the money, also did not say hello, rushed out of the door.

Jiang Wan glared at Chen Ping angrily, and then chased out: "brother Cao, I'll send you."

It's quiet.

Chen Ping is sitting in front of Mi Li's hospital bed, looking at her sleeping daughter, feeling very guilty.

"Mi Li, is it hard to be with dad. That father tells you, from now on, you will be the little princess. "

Chen Ping gently stroked his daughter's forehead, eyes full of doting.

Just then, Jiang Wan came back and said coldly, "where did you get your money?"

Chen Pingtou also does not lift the return way: "borrow."

"Ask who borrowed it?"

"Mouse."

Jiang Wan breathed a sigh of relief. She thought Chen Ping had borrowed a loan shark. "You have asked him to borrow it many times. You can't trouble people every time. You should return the money as soon as possible. It is said that he will be married soon

"I know. I'll pay him back when I get rich." Chen Ping saw Jiang Wan at the meeting.

This woman, is really very beautiful, even if show eyebrow tiny frown, also does not lose a kind of special aesthetic feeling.

I'm afraid she doesn't know.

Her once exhausted husband is now the heir of the most wealthy family in the world.

Turning hands for clouds, hands for rain, but also between nodding.

Jiang Wan's eyes slowly cooled down, looked at her daughter on the eye bed and said, "Chen Ping, you can borrow this time. What about next time? Do you have to borrow money every time Mi Li is hospitalized

At the beginning, Chen Ping was so energetic.

Because of this, Jiang Wan fell in love with this man.

However, since the failure of starting a business, he has never recovered and become more and more cowardly.

Chen Ping was angry in his heart: "I know it in my own mind."

Jiang Wan was silent for half a minute and said, "Chen Ping, even if you don't think about yourself, you also think about rice grains. This week, my father's birthday, you come and bow with my parents

Chen Ping did not speak, but clenched his fist.

Jiang Wan was so angry that she stamped her feet, carrying her bag and swearing, "you're going to be such a coward all your life."

Seeing Jiang Wan out of the door angry, Chen Pingcai sighed helplessly.

No money, no status life, what a fucker.

Father in law?

Can you look up to yourself?

In the afternoon, Chen Ping was temporarily busy, so he asked the nurse to take care of the rice. Jiangwan company was busy and went back early in the morning.

Riding a delivery battery car, refreshing orders, Chen Ping began to deliver meals.

An order for an intercontinental hotel.

Those who can come here to open a house are usually rich people.

8808 suite.

Chen Ping knocked on the door: "Hello, your take out is here."

Creak.

When the door opened, I saw a beautiful woman, wearing a navel strap and black underwear, a red rose tattooed at the bottom of her thigh, her hair spread and her delicate makeup.

"Hello, yours..."

Chen Ping handed over the takeaway with a smile, but the latter half of the sentence stopped abruptly, "Xu Xu Rong? "

"Chen Ping?"

The woman opposite is Liu Hao's girlfriend, Xu Rong.

At the moment, she looked at Chen Ping in surprise, and her eyes flashed

doubt and anger.

"Rongrong, are you ready? I can't wait. You also bring rabbit ears, hehe..."

In the room, is a middle-aged obscene male voice.

Xu Rong glared at Chen Ping, took the takeout recklessly and slammed the door.

Chen Ping stood outside the door like a fool. Half a day later, he reacted.

Grass!

Why is Xu Rong here? Or open a room with another man!

Do you want to tell the mouse about this?

Half an hour later, Chen Ping met Xu Rong in the hall downstairs.

At the moment, she has put on a small black windbreaker, stepping on high-heeled shoes, sitting cold opposite Chen Ping.

Three hundred dollars out of the purse.

Xu Rong pressed on the tea table and said coldly, "here you are."

Chen Ping looked at the 300 and chuckled, "buy me off?"

Xu Rong frowned, took out 200 again, threw it down, and said coldly, "500, is that enough? That's two days' salary. "

Free the floor!

Chen Ping stood up with anger on his face and bit his teeth and said, "Xu Rong, are you right to do this? He works hard for you. You are going to get married at the end of the year

"So what? Who said I must marry him Xu Rong scoffed and lit a lady's cigarette, disdained: "Chen Ping, you'd better take care of yourself. I'm tired of coming to borrow money from mice every time."

"You are a man, would you like to have a face? No wonder your wife is going to divorce you, punk

After that, she got up, held her arms and looked at Chen Ping with pride: "you are not allowed to tell about today's affairs, otherwise, I'll find someone to break your leg."

With that, Xu Rong met the fat headed middle-aged man waiting there. They nestled together and left the hotel.

Chen Ping secretly clenched his fist, collected the money on the table and left the hotel.

I have to remind the mouse.

At this time, Chen Ping's phone rang.

After a look, it turned out to be Yang Wei, the manager of the company.

On the other end of the phone, there was almost a roar.

"Chen Ping, what are you doing! More than ten complaint calls! Did you go to space?! I'm going to get the hell out of here

Yang Wei was very angry at the moment, only half an hour, he received more than a dozen complaints about Chen Ping.

This is going to be crazy!

Do you want to do it or not!

"Yang, don't be cruel to me. I won't do it! You have been dismissed by Laozi

"What are you talking about? Chen Ping, you are such a fool... "

Chen Ping hung up directly.

He was already angry.

A little manager dares to kill himself.

In the past, it was forced by life. Chen Ping tolerated it.

Now it's different. He was forced to inherit the family property, the successor of the world's largest consortium. Can anyone yell at that?

Chen Ping immediately took out his mobile phone and called Qiao Fugui, saying, "old Joe, I want to buy my company back, OK?"

Qiao Fugui said: "young master, that company was originally founded by you. Although you have been bankrupt and transferred, you want to buy it back. In a word."

Chen Ping said lightly: "OK, in ten minutes, I will be their boss!"

Two minutes later, Joe Fugui sent back a message: "young master, it's all right. Now you're the big boss of the errand delivery company."

Chen Ping nods. Qiao Fugui moves very fast.

Riding the battery car, Chen Ping went straight to the company.

Yang Wei, you wait for Dad!

See how Dad cuts you!

Running errand delivery company was founded by Chen Ping, but it was not well managed. It went bankrupt and was transferred.

Overnight, Chen Ping changed from boss to employee.

Once the scenery is no longer, only endless ridicule and cold reception. Running leg Co., Ltd.

Yang Wei is in the hall at the moment, looking at the hung up phone, furious.

"Grass! Chen Ping is dying! If I don't fire you, do you just talk to me? "

Around a dozen employees, all shrunk their heads and did not dare to speak, for fear of setting fire to themselves.

At this time, the door of the company was pushed open.

A middle-aged man came in.

Seeing this man, Yang Wei's face was filled with flattering smile in an instant: "boss, you come without notice, I'll pick you up."

The big boss of the company, Tan Kehua.

Tan boss glanced at him and said: "everyone is ready to meet the new boss."

Yang Wei is stunned: "new boss?"

"Someone bought the company for 10 million yuan," Tan said

Yang Wei asked carefully, "who is the new boss? What do you want to prepare? "

Tan boss frowned: "I am not very familiar with the new boss, we will be more careful."

After that, dozens of employees, following Tan Kehua, stood at the gate of the company.

Yang Wei said in a loud voice: "cheer up for me. The new boss is coming soon. If you behave well, you may be able to get a promotion and a raise. It has something to do with your own wallet."

"If a villain is successful, he will only flatter."

"It has something to do with him. What a dog licker!"

A few employees whispered.

They are not happy with Yang Wei. It's not a day or two.

Like them, they used to be takeaway.

However, this guy is shameless enough to lick the dog and lick the manager's position.

At this time, a black Bentley, slowly stopped at the door of the company.

Qiao Fugui thought for a moment, but he decided to come and have a look by himself. Maybe he could help the young master solve some problems.

In this way, the young master may go home once he is happy.

Yang Wei stood behind Tan Kehua, rubbing his hands excitedly, looking forward to: "coming."

He knows that when the new boss comes, his performance opportunities will come!

Just at this time, Chen Ping drove the battery car and stopped in front of Bentley.

At the moment when he saw Chen Ping, Yang Wei trembled all over his body and was burning with anger. He pointed at him and said, "Chen Ping, do you still know how to come back? Get out of the way

Chapter 4

Yang Wei is very angry now!

This idiot is in the way of new boss Bentley getting out of the car.

Isn't this looking for death?!

"Chen Ping, what the hell are you doing? Get the hell out of here Yang weinu points to Chen Ping and shouts.

When Chen Pinggang parked the battery car, he was rebuked by Yang Wei.

"It's over! Chen Ping is in trouble now. Look at Viagra. It's going to be furious. "

"A dozen complaints just now, how dare this fool come back?"

"At least two hundred bucks will be deducted, and it will be a day's work."

A few employees whispered, some people gloated at it.

Some of them have been with Chen pinghun.

Seeing that Chen Ping was reduced to delivering takeout with them, naturally there was more verbal sarcasm.

Chen Ping is used to it.

Even tan Kehua glanced at Chen Ping coldly at this time, and asked with displeasure: "manager Yang, is this your employee?"

Yang Wei quickly sneered: "boss, you haven't been here several times. I forgot to introduce you. This is Chen Ping, the former boss of our company. Now he is just a delivery man at the bottom. "

When talking about the "former boss", Yang Wei deliberately accentuated the words, revealing a strong sarcasm.

Chen Ping, Chen Ping, you also have today. It's really retribution, ha ha!

Tan Kehua, with a cold face and a frown, said, "get rid of the idle people and

welcome the new boss."

He remembered that Chen Ping was the frustrated young man who transferred the company.

It's a pity that Tan Kehua forgets too much.

He really can't remember people like Chen Ping at the bottom of society.

With that, Tan Kehua had already pulled his suit and walked towards the Bentley with a smile on his face.

When Yang Wei got the order, he immediately pointed to Chen Ping and said, "Chen Ping, don't you pack up your things and go away?"

Chen Ping rolled his eyes and looked at Yang Wei like an idiot. He vomited a sentence: "idiot."

All the people present heard this stupid sentence, and they all looked strange.

Yang Wei was on fire immediately. His fingers almost pricked Chen Ping's nose and said angrily, "grass! Try one more damn curse

Chen Ping Ha ha ha sneer voice: "that satisfies you, fool! Your family are fools

"Grass! Chen Ping, you are dead! You're fired now, and you have to pay for the company's economic losses! "

Yang Wei bared his teeth and exclaimed, his eyes wide with anger.

Chen Ping is so ungrateful!

He has to understand that he is no longer the boss of a running errand company.

How dare you be so arrogant?

I'll kill you later!

Suddenly!

The door of the Bentley opened, and an old man on crutches came down. With a look of anger, he said, "who dares to fire him?"

Then, the old man walked directly through the smiling Tan Kehua, and walked to Chen Ping three steps and two steps in the eyes of the public.

Stand, bend, bow.

Everything was so natural and respectful.

"Young master, I'm late." The old man is respectful and humble.

The sound was not very loud, but the sound of needles could be heard on the ground.

Young master?

Countless people were shocked!

Chen Ping changed his life and became a young master?

What's the situation?

Tan Kehua froze in place, the smile on his face gradually solidified.

Yang Wei was even more surprised and said with a smile, "Mr. old, are you our new boss? Don't be kidding. Chen Ping is the lowest level employee in our company. Have you identified the wrong person? "

Qiao Fugui just glanced at him coldly.

Do ants know a swan?

Tan Kehua also frowned slightly. He trotted over and said respectfully and enthusiastically, "don't be kidding, Mr. Qiao. Let's talk about it inside."

Tan Kehua is an entrepreneur.

Qiao Fugui he still knows, the chairman of Shengding group!

In Shangjiang City, that is the existence of a hand covering the sky!

However, Qiao Fugui stood still. His eyes swept Tan Kehua and Yang Wei coldly. His face was unhappy and he said, "who is kidding you? This is your new boss! "

How could that be possible?

New boss?

Yang Wei doesn't believe it, nor does Tan Kehua.

"Viagra, you said you were going to fire me?" Chen Ping looks at Yang Wei with a smile.

"Chen Ping! Do you want to die? Don't call me Viagra Yang Wei was angry.

What he hates most is that he is called by the nickname.

"You should get out of my way and compensate for the company's economic loss, 10000 yuan!" Yang Wei has a sneer on his face.

He doesn't care. How can Chen Ping be the new boss of the company? Just like a loser.

Hehe.

Chen Ping is still staring at Yang Wei.

"How many do you want? Don't hurry to get the money Yang Wei sneered.

"Yes, I'm looking at some." Chen Ping laughed instead of angry.

"You really want to die, Chen Ping. I'm sorry if I don't fire you." Yang Wei is confident that he is not afraid and sneers.

He is the manager of the company and has the right to dismiss the employees under his control.

"Well, I'll tell you, Yang Wei, you've been expelled by me, so you can go away." Chen Ping leaned against the battery car and put his hands in his trouser pockets.

Yang Wei is a fool.

He can't even see it.

At this time, Tan Kehua, who was standing on one side, suddenly woke up!

Oh, no!

Chen Ping is really the new boss of the company!

Thinking of this, Tan Kehua is full of cold sweat on his forehead. He is afraid to look at it. He hates Yang Wei even more.

"What are you talking about? You fired me? " Yang Wei smiles with a ferocious expression.

Chen Ping is not a fool. He can even say this.

At this time, Qiao Fugui, standing on the side of Chen Ping's body, coldly glanced at Yang Wei and said in a cold voice, "if our young master says to dismiss you, you will be expelled!"

Qiao Fugui's face is very bad. He dares to humiliate his young master and look for abuse!

Until this time, Yang Wei reacts again, and there is a new boss in front of him.

But wait for him to react.

Tan Kehua slapped him in the face and roared, "Yang Wei, get out of the company right away. You're fired!"

Yang Wei is a real idiot!

I would have believed such a person and promoted him to manager of the

company.

"What do you mean, boss?" Yang Wei covered his face with an unbelievable expression.

"That is to say, Chen Ping is the new boss of our company. If he says to fire you, he will fire you."

When this was said, the audience was shocked!

Yang Wei trembled all over and exclaimed, "no way! He's bankrupt. He's a poor man. How can he be a new boss

Tan Kehua frowned: "he is not as simple as you think."

Yang Wei looks at Chen Ping with a flat head and looks like a withered vegetable leaf.

At this time, he suddenly realized that the old man standing in front of Chen Ping was Qiao Dong of Shengding group!

Rich people with tens of billions of assets!

The richest man in Shangjiang city!

Chen Ping, who he called the young master, isn't that

"Yang Wei, from now on, you are fired. Go away."

Chen Ping stood up straight. As soon as his voice fell, Yang Wei was stupefied and froze at the same place.

Didn't you scold yourself just now?

And fire yourself.

Sorry, I'm the new boss now.

I tell you to go, you have to go!

With a plop, Yang Wei knelt down directly, hugged Chen Ping's thigh and said, "boss Chen, it is I who have eyes but don't know Taishan. It's me who is mean. Please don't dismiss me. In the face of my former colleagues, let me stay in the company, even to deliver takeaway. "

Chen Pingxi laughed twice: "Yang Wei, I regret it now. Would you let me go before that? If you do more injustice, you will die! "

In a word, let Yang Wei fall into the abyss.

After that, Chen Ping turned to look at his colleagues in the company and said, "I know that many of you look down on me when I am down and down, but it doesn't matter. From today on, your wages will double!"

At this moment, the circle of colleagues watching was boiling!

Double the salary!

"Boss Chen is a bull!"

"Boss Chen, I love you so much!"

Then, looking at a beautiful woman behind the crowd, Chen Ping said, "and the position of manager Yang Wei is assumed by sister Su Qing."

Brush!

People look back at Su Qing standing behind the crowd. She is in a black professional dress. She has a perfect figure. Her thin black silk is wrapped in her straight and slender legs. Her legs are tight and her lines are soft.

Su Qing looked at Chen Ping in amazement. When he left, she was still a little out of breath.

Looking at the back of the Bentley car, Su Qing's beautiful eyes flow out a strange look.

Su Qing rushed to catch up with her. Standing in front of the window, she bent over. The ice cream ball at the neckline almost jumped out. She pursed her mouth and said, "Chen Ping No, boss, do you really want me to be a manager

See Su Qing, Chen Ping's eyes do not show traces of a glance at the snow-white, a smile: "Su Qing sister, what's wrong, don't believe in yourself?"

Su Qing, a woman of general knowledge, a good figure and a beautiful person, followed Chen Ping before.

Now, it's not too much to promote her.

This is the privilege of the boss.

"I I'm afraid I can't do it well. " Su Qing is tangled. She never expected that Chen Ping would become the new boss of the company.

Although, long ago, he was the boss, but at that time, the company was only a

few people, very small.

Now the company's turnover, more than five million a year!

That Chen Ping bought the company did not spend tens of millions!

"Don't worry, sister Su Qing. Take your time. Don't worry." Chen Ping said with a smile that he gave Su Qing a reassurance.

Looking at Chen Ping sitting Bentley leaving, Su Qing pursed her red lips and wondered in her heart, "what is his identity? Why should he pretend to be poor when he is so rich?"

On the Bentley.

"Young master, there is an investment project tomorrow. You need to see the boss of the other party." Qiao Fugui's face is full of wrinkles and smiles.

"No

www.onlinefreenovels.com

Chen Ping's answer is very simple. He doesn't want to take care of these matters at all.

I was forced to inherit the family property. Don't let me go.

"Young master, you'd better give me back 100000 yuan." Qiao Fugui said lightly.

Chen Ping was stunned. He was not willing to say, "go, I'll go to the head office."

I think the heirs of the powerful family are actually bent down for 100000

yuan!

What a pity!

"Well, young master, I'll pick you up tomorrow." Qiao Fugui said with a smile.

Just got off the bus, Chen Ping heard a confused voice, "Chen Ping, how are you here?"

Chen Ping subconsciously turned his head and looked at himself with a puzzled face of Jiang Wan.

Chen Ping's heart is flustered, bad, to be Jiang Wan know his identity!

Chapter 5

"Why are you here?" Jiang Wanxiu frowned and looked at Bentley beside Chen Ping. Did he get off the bus just now?

Is this still my wimpy husband?

Or is Bentley the delivery company now?

"I I am..." Chen Ping hesitated, glanced at the window and laughed like a chrysanthemum like Qiao Fugui.

The old man immediately reached out his hand and said, "thank you, young man. Thanks to you, I found this place. Next time I'm free, I'll invite you to dinner and express my thanks. "

Don't nod your head, Mr. Chen Ping

The tone ends with a rush.

Qiao Fugui didn't say much. He nodded to Jiang Wan at the roadside and asked the driver to drive away quickly.

Jiang Wan gazed and was shocked!

This Isn't this the chairman of Shengding group, Qiao Dong?!

The richest man in Shangjiang city!

Chen Ping actually took a car with him!

"Do you know Joe Fugui?" Jiang Wan looks back at Chen Ping in surprise.

Chen Ping shrugged his shoulders and said, "I don't know. The old man doesn't know the way. I'll take him to find the way."

Old thing?

Jiang Wan's mouth trembled. It was rude of him to call the richest man in Shangjiang as an old man!

"What old thing, that is the richest man in Shangjiang City, the chairman of Shengding group!" Jiang Wan looks at Chen Ping with hatred.

This man is more and more blind.

The more he looked at him, the more he disliked Chen Ping. He simply said coldly, "Chen Ping, don't forget that my father is having dinner at Juxian Pavilion on the weekend. Go and buy some presents."

"I haven't promised to go yet." Chen Ping replied.

"You

Jiang Wan was so angry that she finally got through with her father that Chen Ping would come over and admit his mistake this time, so that he could not be too hard on him.

However, this Chen Ping, how could this attitude be?

Forget it. Leave him alone.

I was blind at the beginning. I would fall in love with this man.

"Love to go or not!" Jiang Wan's temper came up. As soon as she turned around, she twisted her waist and buttocks and left.

Looking at Jiang Wan's back, Chen Ping actually changed her clothes, tight jeans and T-shirt. The round hip line was really dazzling, which made people have an impulse to conquer.

she seems to have perfumed and put on make-up.

Chen Ping was surprised and looked at her walking into a building, thinking about something in his mind.

Jiang Wan didn't come back to the company. How could he come here?

Where is this?

Hilton Hotel!

Shit! Does Jiang Wan steal a man behind his back?

Thinking about it, Chen Ping was angry in her heart. She worked hard to get to work, but she came to the hotel?

No, I will follow you up!

Jiang Wan is very upset today. First, her daughter has a relapse of heart disease brought by irresponsible Chen Ping. Then, Cao Jun is upset. Then she returns to the company, and a project goes wrong again.

The manager of the other party broke the appointment and said that she had to come to Hilton to talk.

Jiang Wan didn't want to come, but she had to come because she was threatened by the project.

That's a million orders!

Just at this time, her mobile phone rang, "Hello, Mr. Wang, here I am. Where are you?"

"I'll wait for you in the restaurant on the sixth floor." There was a mellow male voice on the other end of the phone.

"OK, Mr. Wang, I'll come up right away." Jiang Wan said with a smile.

After hanging up the phone, Jiang Wan breathed a breath, hesitated in her eyes and looked at the elevator. Finally, she decided to go up.

The moment the elevator door closed, Chen Ping appeared in the hall and saw Jiang Wan get on the elevator from a distance.

He ran three steps and two steps, and was interrupted by a cold sneer.

"Oh, isn't this my cousin who delivers takeaway? It's all delivered to Hilton?"

Chen Ping looked around and saw a pair of beautiful and fashionable lovers nestling together. The girl's hands were around her chest, and she was leaning on the arms of a handsome boy who was one meter eight.

"Jiangling?" Chen Ping frowns slightly, not forgetting to look at the elevator parking floor, the sixth floor.

The girl came over and said with a mock smile: "cousin, what a coincidence. You can meet you here. It seems that your business is very wide."

The girl's name is Jiangling. She is Jiang Wan's cousin.

I'm only a freshman this year, and I've grown up and down in a graceful and graceful way.

"Ringling, who is this man?" Jiangling next to the handsome boy eyes teased asked.

Jiangling immediately sneered and said, "my cousin, I told you last time that he failed to start a business and then sent him to take out. He also asked me to borrow several thousand yuan, but he still hasn't paid it back."

Jiangling has always looked down on her cousin's brother-in-law. It's too useless.

He always felt that he was a toad climbing the high branch of cousin. It's better to say that he married his cousin than to be a burden.

Shame.

"Ha ha, he's the cousin you mentioned. Damn it, he's such a loser." The boy laughs, in the eyes more sarcastic.

Chen Ping is a little upset. How to say that he is your cousin's brother-in-law. What do you mean by Jiangling?

Humiliate yourself with an outsider?

"I'll pay you back your money. If I have something else to do now, I won't be with you." Chen Ping squeezed out a smile.

After all, it's Jiang Wan's cousin. As a cousin's brother-in-law, she should be tolerant.

If she knew, she was now the successor of the world's largest consortium.

What expression and reaction will this cousin have?

People are always so shallow and ignorant.

"Give me back? I don't expect you to pay me back. Is your take away salary enough to cure rice grain?" Jiangling sneered.

Brother in law is a waste!

And that little bitch, you shouldn't have been born!

Yes, Jiangling looks down on Chen Ping and naturally looks down on Chen Ping's daughter.

Hearing this, Chen Ping's expression on his face gradually became cold.

"Jiangling, at least I'm your cousin's brother-in-law. Are you too impolite to talk to me like this?"

"Ha ha." Jiangling laughed and said, "I don't admit that you are my cousin's husband. You are just climbing up to my cousin and occupying my Jiang family."

What a shame!

Also take the identity pressure themselves, do not see what their own things!

"Ouch, his son-in-law?" Jiang Ling's boyfriend was surprised and sneered.

Man, it's a coward to do his job.

Jiangling waved her hand and tugged at her boyfriend. She said scornfully, "forget it, Huige. Let's go. Standing with people like him, I think the air is greasy and stinky."

Chen Ping's eyes were cold and heavy, his fists clenched, and he watched Jiang Ling swing his hips and hook his boyfriend away.

They also muttered to each other:

"your brother-in-law is really a coward."

"He's not my cousin's brother-in-law. If you talk about it, I've fallen out with you."

.....

After taking a deep breath, Chen Pingping stabilized his mind. He could not have a common understanding with a child.

Turn around and run up the elevator.

The sixth floor.

After a long circle, Chen Ping saw Jiang Wan's figure outside the glass wall

of a western restaurant.

Damn it!

The most hateful thing is that Chen Ping sees a greasy, bald, fat man sitting in front of Jiang Wan. He is stretching out his hand to touch Jiang Wan's hand.

Love is a light.

Green?

Not at all wonderful!

Chen Ping is very angry!

She took out her mobile phone and called Jiang Wan.

In the restaurant, Jiang Wan politely refused Mr. Wang's kindness several times, but the other party didn't give up and tried to touch his hand several times.

At the same time, her cell phone suddenly rang, giving her a chance to breathe.

"Sorry, Mr. Wang. I'll answer the phone."

After that, Jiang Wan got up and walked outside the restaurant.

Mr. Wang's small eyes narrowed and he was staring at Jiang Wan's back. The round, curly buttocks of a grindstone made him want to stop.

Tonight, we must press this arrogant woman under the body, mercilessly

ravages!

Hello, Chen Ping. What can I do for you Jiang Wan stands outside the restaurant.

"I'm opposite you."

Jiang Wan looked up suddenly and saw Chen Pingzheng staring at himself coldly.

She frowned, wondering, how could he be here?

"You follow me?" Jiang Wan walked past, his face covered with frost and cold.

I met Chen Ping downstairs just now. I'll see him at the door.

It's not tracking. What is it?

Chen Ping Ha ha ha's smile two voice way: "I don't have that spare time to follow you, just happened to pass by."

Then he looked at the fat man in the restaurant and asked, "who is more important than rice?"

Come out of the hospital with a fat man.

Jiang Wan, you can do it.

Jiang Wan was not pleased with Chen Ping's tone of interrogation, but still

explained: "partner of the company, talk about business."

"Business? Or is it a love affair with you Chen asked.

Jiang Wan's face sank, her hands dragging her chest, and she said in disgust, "Chen Ping, what do you mean? You doubt me? I work hard every day, not just to make more money to cure rice grain? How about you, delivery every day, do you have any success? I asked you to bow down for my parents. Did you go? You are a coward

With that, Jiang Wan's emotion was obviously excited. Tears rolled around her eyes, turned her head and sucked her nose and said, "forget it, it's no use talking to you. I won't go back tonight." "Not going back?

Chen pingzhongzheng, are you going to spend the night outside?

"What if I could help you?" Chen Pingdao.

Looking at Jiang Wan's appearance, Chen Ping guessed that the business was not easy to talk about. Most of it was the other party who threatened her.

At the same time, he felt guilty. His attitude was really wrong.

"What can you do for me? Can you bring me a million orders?" Jiang Wan gave a smile, a cold smile.

She never expected Chen Ping to help herself.

"It's a million yuan list. I can..." Chen Pingdao, he is not short of money. As long as he says something, Jiang Wan's company can buy it, not to mention a

million orders. It's a piece of cake.

"Chen Ping, that's enough. You don't have to worry about my affairs." Jiang Wan said coldly, then turned around and entered the restaurant again.

I don't care?

You're my wife anyway.

Looking at Jiang Wan's back, Chen Ping grinned bitterly and took out his mobile phone.
